Re: *Certain NAND and DRAM Memory Chips and Products Containing Same*; Inv. No. 337-TA-____
(DN 3908)

Dear Secretary Barton:

Complainant MonolithIC 3D™ Inc. (“MonolithIC 3D” or “Complainant”) hereby submits its Second Supplement to the Verified Complaint (Docket No. 3908) filed on May 11, 2026, in response to a request from the Office of Unfair Import Investigations (“OUII”) for additional information. Complainant provides this supplement solely in response to OUII’s request. Complainant supplements by replacing paragraph 24 of the Complaint with the following:

Complaint Paragraph 24

24. Pursuant to 19 C.F.R. §§ 210.10(b)(1) and 210.12(a)(12), the categories of products accused of infringing one or more of the Asserted Patents are certain 3D NAND memory chips, HBM DRAM memory chips, and memory products containing the same such as NAND flash and NAND storage products, SSD products, and DRAM products. The Proposed Respondents infringe the Asserted Patents through the sale for importation into the United States, importation into the United States, and/or sale within the United States after importation of such Accused Products. Exemplary identifications of such infringing products are provided in Sections V and VI below.

This supplement does not add additional respondents or allege additional unfair acts. *See* 19 C.F.R. § 210.14(a). The verification filed with the original complaint on February 17, 2026, remains accurate.

Please contact me with any questions regarding this submission. Thank you for your attention to this matter.

Respectfully Submitted,

/s/ Evan H. Langdon
