RE: *Certain Extrusion-Coated Magnet Wire*, Docket No. 3940

Dear Secretary Barton:

We write on behalf of Complainants Essex Solutions Inc. and Essex Solutions USA LLC ("Essex") to provide the following supplemental information following discussions with the Office of Unfair Import Investigation in connection with the Complaint filed in Docket No. 3940.

First, enclosed are replacement public versions of Exhibits 11 and 24 to the Complaint.

Second, Essex supplements the Complaint to add the following language to the ends of each of paragraphs 30 and 36:

(*See supra* ¶ 5 (discussing name change of Essex Furukawa Magnet Wire LLC to "Essex Solutions Inc."); *see also* Ex. 7 (Cert. of Conversion reflecting corporate name change from "Essex Furukawa Magnet Wire LLC to "Essex Solutions Inc.")).)

Third, Essex further supplements the Complaint to replace Paragraph 59 with the below paragraph:

59. In addition, in October 2025, a representative of Essex attended the Detroit Battery Show in Detroit, Michigan. There, Essex's representative attended an exhibit for Schaffler North America, at which she observed an accused Wellascent PEEK wire product displayed as a component in a Schaeffler product. On information and belief, this PEEK

wire product was manufactured abroad by Wellascent and imported into the United States. (See Ex. 28, Decl. of L. Hartman.)

In connection with this supplement, Essex encloses new Exhibit 28 to the Complaint, the October 8, 2026 Declaration of Lindsay A. Hartman.

Finally, enclosed are replacement versions of Exhibits 15 and 16.

The requisite paper and electronic copies of the above materials will be delivered to the Secretary pursuant to Commission Rule 210.8.

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions regarding this submission.

Respectfully submitted,

/s/ Joshua A. Hartman
